PROFESSIONAL SUMMARY

Frontend Developer with 3 years of hands-on experience building responsive, scalable, and user-friendly web and mobile applications. Skilled in React, JavaScript, HTML, CSS, SCSS, and React Native. Demonstrated ability to transform UI/UX designs into high-quality code, optimize performance, and deliver seamless user experiences across devices.

WORK EXPERIENCE

Frontend Developer

01/2022 – Present
Nigeria

Freelance / Remote

- Developed and deployed multiple client-facing applications using React and React Native, improving load performance by up to 0%.
- Translated UI/UX wireframes into reusable, scalable frontend components with pixel-perfect accuracy.
- Integrated REST APIs and optimized data- fetching patterns, reducing API call redundancy by 30%.
- Implemented responsive layouts and improved accessibility, increasing mobile usability scores by 50%.
- Collaborated with product designers and backend engineers to deliver features aligned with business goals.

PROJECT EXPERIENCE

Foody Website (React + SCSS)

01/2022 – 07/2024

- Built a fully responsive grocery shopping interface with product listing, search, and cart features.
- Integrated backend APIs for real-time product updates and order handling.
- Improved user journey and check-out flow, increasing conversion rate for test users by 20%.

Slobodan Portfolio Website

02/2023 – 05/2023

- Designed and developed a fast, SEO-friendly personal portfolio website showcasing projects and achievements.
- Improved page load time by 5% using code splitting and image optimization.
- Built a custom UI using SCSS and reusable components.

Travel Booking Website (React + TailwindCSS)

06/2023 – 09/2023

- Developed a travel booking platform with destination search, filtering, and booking features.
- Implemented dynamic routing, state management, and optimized API calls.
- Enhanced UI responsiveness and accessibility across mobile and desktop devices.

EDUCATION

B.Eng - Metallurgical and Materials Engineering

2020 – Present
Nigeria

Federal University of Technology Akure
